Fa la la la la Fa la la la la Fa la la fa la la

All hail to the days that merit more praise,
than all the rest of the year.
And welcome the nights of many delights
with joy and wintertime cheer.

Fa la la laaa la la...fa la la fa la la....
fa la la laaaaa la la la..faaaa la la

Good fortune attend each neighbor and friend,
And those who live far away.
Forgetting old wrongs with carols and songs,
we sing this rond-e-lay.

Fa la la laaa la la...fa la la fa la la....
fa la la laaaaa la la la..faaaa la la

In winter the scene is never quite green
like april or may.
IN harmony strong we offer this song,
to drive old winter away....
Away, away, away away away

All hail to the days that merit more praise,
than all the rest of the year.
And welcome the nights of many delights
with joy and wintertime cheer.

fa la la fa la la....
