We're settled off the shores again,  
settled off to kill, apply terror  
on those domestic strangers.

Regions exist for legions...  
Legions exist for doom!  
Place the curse on free doom  
approachers!

Hey hey!  
Hey hey!

The tables have turned again.  
Now it's time for the sheep to hunt the wolf.  
I'll contort the truth you serve, obey.  
Forever!

Egos again will hit the roof.  
Your ticket to hell will be your timely goof!  
Which words should I use to define my fear?  
How can I refine my heartbeats from what I hear?

They made us pledge in front of society,

we didn't have what you had, variety.  
Alive corpses consumed by grinded hate,  
Corruption was our drug, their conspiracy!

The tables have turned again.  
Now it's time for the sheep to hunt the wolf.  
I'll contort the truth you serve, obey.  
Forever!  
and ever...  
and ever!

Hey! Hey! Hey!  
Hey! Hey! Hey!

I will be the one to break this chain,  
I will gather forces to mend this fame  
that grew stronger each day, for centuries!  
Let offenders feel the shame,

I have gained the power to extinguish the flame.
