"The Devil Incarnate"

Visit "[The Devil Incarnate](#)" on MotoLyrics.com

The incarnation of evil, a betrayer has been born
The king of all deceivers, upon the throne of scorn
An enviable position of power, wealth and glory
To keep the key to the ignition of the purgatory
Follow me and you'll succeed
My disciples, you're now a part of me

You reap what you sow, then you roll the dice
How could we ever know that it was the devil in
disguise?

The pawns that made the way through this narrow path
For how long will they obey once they taste the grapes
of wrath?
Now, this wheel of fortune - it spins too fast for you
Once it gets in motion there is nothing you can do

Follow me and you'll succeed
My disciples, you're now a part of me

You reap what you sow, then you roll the dice
How could we ever know that it was the devil in
disguise?

Such blindness never seen in the history of man
Dictators, rulers of their holy lands
Scapegoat sacrificed, gently led to slaughter
Successor to the throne - the devil's own daughter?
