Luigi era un pagliaccio
prima del fattaccio
rideva per la gente
rideva un po' per niente

Cantava e fu soppresso
dismesso e sottomesso
giÃ l'avevano pagato
per lo stato dello stato

And I say "time"
you ought to fix it, "time"
we ought not to despair
and bear the city and i don't care,
your claim to fame
no tasting a kind sit-com but
enjoying much you-porn-dot-com
We vote, we quote,
we're all just clowns
ensuring pleasure to ourselves

I won't ever let you down my friend well
i won't ever let you down you're my love
Well, I won't ever let you down
I think that i won't ever let you down

(salsiccia e grana)
(non capisco scusa non capisco niente)

"time", "time" and try fry whatever you see
you're in the ring of iFring

do you know what i mean?
I feel like Mr. Bean's brother, and wile coyote's mother,
but not so famous to think "hey i'm a real man father".
I'm just a spot of bother shaking down my ass,
i passed the best years as a nerd within my class,
but i'm "Bum bum bip" got "xxx" 'zines
in a four four click we're Nonlinear come on'!

Da chi scappano i gestori dei locali? (Nonlinear)
Ma chi Ã che sbaglia l'Itagliano?

Chi si veste come mia nonna?
Chi cazzo usa lo scopettone del cesso?

I'll be attracted to what is real and sense
the world on my knees, my beers, the personal end i
feel..

Walking down over
and writing no fables
Walking down over
nor my chance
Walking down over
a donkey for a tranny honey
Walking down over
"zitto, zitto, zitto!"
