Hmmm...
Hmmm...
Hold on, hold on
Hold on to my love

Yes, it's you
You're the one in my life I've known
From the start that it's you
I'd spend forever with
So please hold on with me
You know so well that we can't last a day
Without each other
You're all I have and I'm all
That's there to keep you goin'

Hold on
Just keep on holdin' on
It may not be for long
Just keep on holdin' on with me
Hold on
Just keep on holdin' on
It may not be for long
Just keep on holdin' on with me

Funny how we both try to show
That we don't really care
But deep inside the thing that matters
Is to have you by my side

Let the tears roll down, that's okay because
Tomorrow no one's goin' away
Just let this be and hold on with me
Hold on with me

Hold on
Just keep on holdin' on
It may not be for long
Just keep on holdin' on with me
Hold on
Just keep on holdin' on
It may not be for long
Just keep on holdin' on with me

Ooh...with you in my life
With you in my life
Hold on, hold on
Hold on to my love

Hold on
Just keep on holdin' on
It may not be for long
Just keep on holdin' on with meHold on
Just keep on holdin' on
It may not be for long
Just keep on holdin' on with me

Hold on, hold on
Hold on, (hold on, hold on)
You're my life, baby
I need to ho-hold
Gonna hold on, hold on, hold on
I need...
I need you love
