Can't wait to see you, Can't wait to hold you
(I'm falling)
Just want to kiss you, Just want to hold you forever
(I'm falling)
When I here the phone ring, My heart skips a beat
Every time I'm with you, I can't stand on my feet

I just can't help it, Can't help I'm falling
(Falling in love with you)
I close my eyes and, That's how I know that I'm falling
(Falling in love with you)

I just wish I'd be with you, Every second of every day
(I'm falling)
Just you and me baby, you always take my breath away
(I'm falling)
When I here the phone ring, My heart skips a beat
Every time I'm with you, I can't stand on my feet

I just can't help it, Can't help I'm falling
(Falling in love with you)
I close my eyes and, That's how I know that I'm falling
(Falling in love with you)
Yeh I'm falling in love with you...
Oh I'm falling in love with you...

I just hope that you catch me and then we'll never part
Just know that I love you with all of my heart
I just hope that you catch me and then we'll never part
Just know that I love you with all of my heart

I just can't help it, Can't help I'm falling
(Falling in love with you)
I close my eyes and, That's how I know that I'm falling
(Falling in love with you)

Yeah falling in love with you...
