Things haven't changed
You haven't changed
And I haven't changed
Things that you say
You want to change
You haven't changed
You're still the same

The words that you never approve of
The way that you call out my name
The lies that you tell to protect me
The same
Playing in your little games
You try to make me go crazy
I'm stronger than I was before
You tried but you failed me
And this time I'm ready for war

Things haven't changed
You haven't changed
And I haven't changed
Things that you say
You want to change
You haven't changed
You're still the same

The time that we wasted on our fighting
The same
The things that we argue about
Excuses you give about everything
The reasons I give why I shout
And how things could have been better
If I never met you before
You try but you're failing me
And this time I'm ready for war

Things haven't changed
You haven't changed
And I haven't changed
Things that you say
You want to change

They stay the same
Things haven't changed
We just stay the same
You haven't changed
I haven't changed
We haven't changed
Were just the same
