Oh Mr. Fabulous  
Give us a smile  
Hold out your hand and give pity on us  
While we try...  
While we try...

Oh Mr. Fabulous  
Sing us a song  
All this  
While you buy your followers  
That you paid for  
You think your strong..  
But your not  
Mr. Fabulous

Oh while you spend what you've got  
To buy your followers  
And with your shiny guitar  
You'll be the one

Mr. Fabulous  
Go on and say way too much  
Give us some advice  
Tell us what is the difference  
Between us

Oh Mr. Fabulous  
Go on and strut out your stuff  
Show us the methods that got you  
So goddamn glamerous  
So beautiful  
You think your strong  
But your not, Mr. Fabulous

Oh while you spend what you've got  
To buy your followers  
And with your shiny guitar  
You'll be the one thats kissed

Oh Mr. Fabulous  
Go out and buy your followers

Go out and buy your followers  
Mr Fabulous...
