At Last.....

My love has come along  
My lonely days are over  
And life is like a song

oh ya ya

At Last.....

The sky's above are blue  
My heart was wrapped up in clovers  
The night I I looked at you  
I found a dream  
That I could speak to  
A dream that I I I could call home  
I found a dream

To rest my cheek to  
Of rely I've never known

Oh ya ya

And you smile  
And you smile

Oh and then the spell was cast  
And here we are in heaven  
For you are mine

At last
