There's a big ol' hole
That goes right through the sole

Of this old shoe
And the water on the ground
Ain't got no place else it's found
So it's only got one thing left to do

Just creep on in
Creep on in
And once it has begun
Won't stop until it's done
Sneaking in

There's a silver moon
That came a little soon

For me to bare
It shines brightly on my bed
And the shadows overhead
Won't let me sleep as long as it's there

Just creep on in
Creep on in
And once it has begun
Won't stop until it's done
Sneaking in

Creep on in
Creep on in
And once it has begun
Won't stop until it's done
Sneaking in

There's a big ol' hole
That goes right through my sole {sic}
Oh that ain't nothin' new
So long as you're around
And got no place else you've found
There's only one thing left for you to do

Just creep on in

Creep on in
And once you have begun
Don't stop until you're done
Sneaking in

And once it has begun
Won't stop until it's done
Sneaking in
And once it has begun
Won't stop until it's done
Sneaking in
Sneaking in
(Sneaking in)
Sneaking in
(Creeping in)
Sneaking in
(Sneaking in)
Sneaking in
(Sneaking in)
Sneaking in
(Creeping in)
(Gonna be creeping on in)
(Creep creeping in)
