I've flown around the world on a plane
I've settled revolutions in Spain
The North Pole I have charted
But I can't get started
With you

Round the golf course I'm under par
And all the movies want me to star
I've got a house and a show place
But I can't get no place
With you

You're so supreme
Lyrics I write to you
They scheme
Just for the sight of you
Dream both day and night of you

And what good does it do
In 1929 ??
But now I'm down hearted
Can't get started
With you
