If I touched myself
The way you touched me
If I could hold myself
The way you held me

Then I wouldn't need you
No, I wouldn't need you
No, I wouldn't need you
To love me

If I could replace
The things you gave me
If I could see my face
Without the tragedy

Then I wouldn't need you
No, I wouldn't need you
No, I wouldn't need you
To love me

But I do
So come back
Come back

If you could see the way I act
When I'm alone
If you could hear my voice crack
Over the phone

Then you'd know I need you
Oh, you'd know I need you
Oh, you'd know I need you
To love me
