Lonestar, where are you out tonight?
This feeling I'm trying to fight
It's dark and I think that I would give anything
For you to shine down on me

How far you are, I just don't know
The distance, I'm willing to go
I pick up a stone that I cast to the sky
Hoping for some kind of sign

Lonestar, where are you out tonight?
This feeling I'm trying to fight
It's dark and I think that I would give anything
For you to shine down on me
For you to shine down on me
