Everytime I think of you
I get a shot right through into a bolt of blue
Its no problem of mine but its a problem I find
Living a life that I can't leave behind
There's no sense in telling me
The wisdom of a fool won't set you free
But that's the way that it goes and it's what nobody
knows
And everyday my confusion grows
Everytime I see you falling
I get down on my knees and pray
I'm waiting for that final moment
You say the words that i cant say
I feel fine and I feel good
I feel like I never should
whenever I get this way
I just don't know what to say
why can't be be ourselves like we were yesterday
I'm not sure what this could mean
I don't think your what you seem
I do admit to myself that if I hurt someone else
Then I'll never see just what we're meant to be
Everytime I see you falling
I get down on my knees and pray
I'm waiting for that final moment
You say the words that I can't say
Everytime I see you falling
I get down on my knees and pray
I'm waiting for that final moment
You say the words that I cant say
