It's him or me  
That's what he said  
But I can't choose between a vegan and a pot head  
So I chose you  
Because you're sweet  
And you give me lots of loving and you eat meat  
And that's how you became my only man of the hour

You never lie and you don't cheat  
And you don't have any baggage tied to your four feet  
Do I deserve  
To be the one  
Who will feed you breakfast, lunch and dinner and take  
you to the park at dawn  
Will you really be  
My only man of the hour

I know you'll never bring me flowers  
But flowers, they will only die  
And though we'll never take a shower together  
I know you'll never make me cry  
You never argue, you don't even talk  
And I like the way you let me lead you when we go  
outside and walk  
Will you really be  
My only man of the hour  
My only man of the hour  
My only man of the hour
