If I were a painter
I would paint my reverie
If that's the only way for you to be with me

We'd be there together
Just like we used to be
Undertneath the swirling skies for all to see

And I'm dreaming of a place
Where I could see your face
And I think my brush would tak eme there
But only...

If I were a painter
And could paint a memory
I'd climb inside the swirling skies to be with you
I'd climb inside the skies to be with you

And I'm dreaming of a place
Where I could see your face
And I think my brush would tak eme there
But only...

If I were a painter
And could paint a memory
I'd climb inside the swirling skies to be with you
I'd climb inside the skies to be with you
