Somewhere over the rainbow  
Way up high,  
And the dreams that you've dreamed of  
Once in a lullaby.

Somewhere over the rainbow  
Bluebirds fly,  
And the dreams that you've dreamed of  
Dreams really do come true.

Someday i'll wish upon a star  
And wake up where the clouds are far  
Behind me.  
Where troubles melts like lemon drops  
Away above the chimney tops  
That's where you'll find me.

Somewhere over the rainbow  
Bluebirds fly.  
And the dreams that you dare to..  
Oh why, oh why can't i?

Well, i see  
Trees of green and red roses too,  
I'll watch them bloom for me and you  
And i think to myself,  
What a wonderful world.

Well i see,

Skies of blues and, clouds of white,  
And the brightness of day, i like the dark  
And i think to myself,  
What a wonderful world.

The colors of the rainbow so pretty in the sky  
Are also on the faces of people passing by  
I see friends shaking hands saying how do you do  
They're really saying i... I love you.

I hear babies cry, i watch them grow  
They'll learn much more than really know

And i think to myself  
What a wonderful world.

Someday i'll wish upon a star  
And wake up where the clouds are far  
Behind me.  
Where troubles melt like lemon drops  
Away above the chimney tops  
That's where you'll find me.

Somewhere over the rainbow  
Way up high,  
And the dreams that you dare to  
Oh why, oh why can't i?
