I know a guy  
that's got a lot to lose  
he's a pretty nice guy  
but he's kind of confused  
he's got muscles in his head  
that ain't never been used  
thinks he own half of this town

starts drinking heavy  
gets a big red nose  
beats his old lady  
with a rubber hose  
then he takes her out to dinner  
and buys her new clothes  
that's the way that the world goes 'round.

That's the way that the world goes 'round  
you're up one day  
and the next you're down  
it's half an inch of water  
and you think you're gonna drown  
that's the way that the world goes 'round.

I was sitting in the bathtub  
counting my toes  
when the radiator broke  
water all froze  
I got stuck in the ice  
without my clothes  
naked as the eyes of a clown

I was crying ice cubes  
hoping I'd croak  
when the sun come through the window  
the ice all broke  
I stood up and laughed  
thought it was a joke  
that's the way that the world goes 'round
