

## Norah Jones "The Story"

I don't know how to begin  
Cause the story  
Has been told before  
I will sing  
Along I suppose  
I guess  
It's just how it goes

And now  
Those sprangs in the air  
I don't go down anywhere  
I guess  
It's just how it goes  
The stories have  
All been told before

But if you don't char  
The light  
Won't hit your eye  
And the moon won't rise  
Before it's time

But if you don't char  
The light  
Won't hit your eye  
And the moon won't rise  
Before it's time

But I don't know how  
It will end  
With all those  
Records playin'  
I guess  
It's just how it goes  
The stories  
Have all been told before  
I guess  
It's just how it goes  
The stories  
Have all been told before  
I guess  
It's just how it goes
