Don't decieve me
Please don't leave me
What would i do without you
to see me through
If you leave me, then you'll grieve me
What would i do without you
to see me through
What would i do
I wanna know
What would i do
Where would i go
Can you please me
When you squeeze me
What would i do, oh, if i, oh
To see me through

What would i do
i wanna know
what would i do
where would i go
Oh, yes i'm crazy
'bout my baby, yes i am
What would i do without you
to see me through, ohhhh
