I'm not here to forget you  
I'm here to recall  
The things we used to say and do  
I don't want to get over you  
I don't want to get over you  
I haunt the same places  
We used to go  
Alone at a table for two  
I don't want to get over you  
I don't want to get over you  
Outta give me the wurlitzer prize  
For all the silver I let slide down the slot  
Playing those songs so blue  
Help me remember you  
I don't want to get over you  
A fresh roll of quarters  
Same old song  
Missing you through and through  
I don't want to get over you  
I don't want to get over you  
Outta give me the wurlitzer prize  
For all the silver I let slide down the slot  
Playing those songs so blue  
Help me remember you  
I don't want to get over you  
I don't want to get over you  
I don't want to get over you
