[Lead Davis]

For one more day I stayed alive...  
Trying to find another way  
A path to sanity...  
Like a shot from a gun I feel!

Conformation leads to ecstasy  
I couldn't find another way...  
A run for guns, agreed!  
Living in this world of fear!

[Bridge:]  
Release me for God's sake!

[Chorus:]  
Now your time to die has come  
Out of control  
Beyond this point I go alone  
Taking their lives  
I don't even cared about you  
I'm out of control!  
Out of control!

I will get you now my friend...  
Don't try to escape from me...  
I'm the first rebellious...  
Like a saint in hell you said!

Resurrection leads to ecstasy  
Never found another way  
A run for guns, agreed!  
Ruling in this world of evil!

[Bridge / Chorus]

Trusted by God I still believe  
In the will of Heaven

[Lead Gustavo]

[Bridge / Chorus]
