[Riders's Voice:]

We're gonna play God forever?
When we're gonna learn?
To live our lives without regrets,
And always be the same!

[Bridge:]

On the threads of fate wise men walk...
From the threads of fate dead men come!

Wicked voice:

The chain of life has come to end...
Dissoluting void!
What came to be a human?
Look inside yourself!

[Bridge:]

Evil Voices:

Blood... feed me now!
Your life belongs to me!
You'll never rest in peace!

[Chorus:]

No! I have no tears to cry,
When I close my eyes...
The shadows tell me to do what they want,
Have no choice!
I'm condemned by the night...

I feel like burning in hell,
Far away from light...
The shadows tell me to do what they want,
Have no choice!
I'm condemned by the night!

[Lead Claudio]

Wicked voice:

Staying outta human cycle...
Awakened soul!

Rider's voice:
Emptiness...
Sacrifice...
Fading outta life!

[Bridge:]

Evil Voices

[Chorus]

[Lead Davis]
