[Intro]

What is it all about huh?

What the fuck is it about?

I'm readin an article and they tryin to tell me

I'm jealous of Kurupt's album droppin

What you mean by that, I want all my niggaz to sell on
the West

I hope my nigga hit diamond this time

I ain't never been a hater nigga

It's not my motherfuckin veins boy

Real nigga music

[Hook: 4x]

Do they hate me now

Cause I'm a boss nigga now

[Over the Hook]

Do you hate me nigga?

yeah, I dont know my nigga

I'm still the same nigga

Do they hate me now?

yeah, I ain't switched nigga

I'm a business man

Let's go...

How many niggaz wanna know the reason I left from
Death Row

right after Suge said I was the Best on the westcoast
my pay check over there had me dressing in fresh
clothes

with jewelry around my neck I was sexing the best hoes
wasn't a damn thang, you can tell me when I spited
rocking the same chain Makaveli represented
ready to aim thangs when it was deadly I was wit it
pistols would Bang Bang I put shellys in Ya fitted
Fuck It I frontlined it

Got in to beef behind it

the comeback, I was blinded

the contrack I signed it

whoever was braking bread with me That's who I was

aligned with
after they did that this cat was one track minded
Ride for the label I'm fatal I'm able to disable any
unstable finagler
nigga brought to the table
4 years later I'm Riding no matter what the cause
but it was time to go so I could be my own BOSS
MOTHAFUCKA

[Hook: - Till The End]
Do they hate me now
Cause I'm a boss nigga now
