I rep my city, I rep my city, I rep my city,
I rep my city, I rep my city, I rep my city,

[Hook]

I take my city anywhere that I go
So when you see me then you already know
It's on my hat, you can tell by the clothes
It's in my talk so it's in my flow
I take my city everywhere that I go
So when you see me then you already know
It's on my hat, you can tell by the clothes
It's in my talk so it's in my flow
I take my city everywhere that I go

I'm from the L.o.n.g. b.e.a.c.h. c.i.t.y.
See I, got a paper chase
City by the sea is the ...
That's why every coup the I hop into
Is aqua blue and I thought you knew
Rock with me and I rock with you
This for my, city, city, city
I rep my city, city, city
We sitting deep in the club cause I rock my, city with
me
Throwing them thangs... Louis Vuitton ...
I'm flipping that dough like... cause I'm the don
So throw some g's up, snoopy ... g's up
Dominate sales like these ... pills throwing I's up
On my east side all riders throw they I's up
This LBC, 1

[Hook]

I take my city anywhere that I go
So when you see me then you already know
It's on my hat, you can tell by the clothes
It's in my talk so it's in my flow
I take my city everywhere that I go
So when you see me then you already know
It's on my hat, you can tell by the clothes
It's in my talk so it's in my flow
I take my city everywhere that I go

I'm from the ea, sts, idi, ride with me
East side of long beach, rtc and isg, ...
Owning me I'm cob, I'ma take my click to the dop
... tell by the hat, you can tell by the tatt, you could tell
how I act
You could tell how I act, you could tell how I rap
That I represent that lbc, map, we back on the map
Map mean money and power, aham, we back on the
map
Can't be ... son, ... but it's racks on racks
Sat put me to the test, no tutor included
Cause the future gonna show you who the best
This is how I view success, giving you my music yes
Stepped on stage in Budapest
Made on ... salute the west

[Hook]

I take my city anywhere that I go
So when you see me then you already know
It's on my hat, you can tell by the clothes

I take my city everywhere that I go
So when you see me then you already know
It's on my hat, you can tell by the clothes
It's in my talk so it's in my flow
I take my city everywhere that I go

In the ... town, I'm keeping it g from the get go
Windy city killers man they shooting when the wind
blow
From Oklahoma to New York, all ... my ...
...was in that 6 4,
When I'm in Houston, that purple stuff is in my purple
cup
When I'm in Miami, I'm in south bitch with my circle on
When I'm in Atlanta, my fans be grabbing in cameras
Then I'm out in Detroit with my g...send them d boys
In every single hood, I'm so hood that I think I'm good
... places that I've been through, looking my clothes

[Hook]

I take my city anywhere that I go
So when you see me then you already know

It's on my hat, you can tell by the clothes

It's in my talk so it's in my flow
I take my city everywhere that I go.
