feat. Scarface, Treach

(Verse 1 - Scarface)

Now flip with a nigga, as we dip through the Dirty
Four-tops, spin out and bent up to thirty
I only ride for homies, 'cause hoes ain't worthy
Never put a bitch before your road doggs, ya heard

Gangsta rap!

Gangsta rap!

Yeah, this is for the ballers
Gangsta rap!
What all the hoes love
Gangsta rap!
What you hop your 6-4 to?

Gangsta rap!
You can do what you want to
Gangsta rap!

(Verse 2 - Crooked I)
What did you fall in the spot?
You could say that they callin' a cop
I'm robbin' niggas, whether they ballin' or not
The Steven Segal of the block

Clock you with a pool ball in a sock
Pop you and crawl off in a drop
Dodger hatted-up
I'm fly as a shot when it hovers
A mix between Morpheus a
