we gonna be living like this for the rest of our lives
we gonna be living like this for the rest of our lives
we gonna be banging this shit for the rest of our lives,
listen, die young
live fast, die young, live fast, die young.

all day bang but i'm no â€¦ my pistol bite your ass right
after that bitchâ€¦
see a couple quick sparks, then your vision get pitch
dark
and the paramedics trying to jump start you here's not
fuck with me is what you don't do
all i ever did my whole life is what i want to
yeah, microphone check 1 2, my last microphone check
was 1.2
compliment on my skillz you looking nice, rocking all
white
diamonds still crawling vanilla ice hanging off of my
chest
like it's body over the balcony
publishing turn to gold like a nigger practice alchemy
wrecking breaking ethic code my dead homies proud
of me
i am not done cause i'm not who i'm about to be
crawling on to west before my album is charted
even kings get ex god bless malcom and martin

i'm feeling hatred and i wonder how come is starting
cause you haters on the couch need to get out your
apartment and grind
talk about you been rapping since 95,
i was pushing benzes when you was looking for 9 to 5
just accept that i am long beach then you might survive
until then nothing's g about hating on me
see i was harder than uses â€¦ i beg you're pardon
mama pushing me in a â€¦ catching a bargain
i'm sick of you niggers jogging you coward ass niggers
wanna â€¦ each other scared of pistol â€¦
yeah, i kill them soft, when god tailor made us
he put me off from a different cloth
you niggers false when i point out a crucifix full of

diamonds
tell me what's the point, i'm trying to get a cross, the
biggest cross
enjoying the benefits, spitting
like a back packer but living like a whack rapper with
â€¦ kids
it's almost over for them cause â€¦ put some real
lyricses in the mix
i'm in the six, drop mercedes on the gas, blowing
shady money fast
know the ladies love the cash, pitching baby on the ass
â€¦she gave me cranium, while she crazy on the â€¦
i'm crazy drinking â€¦ like it's 80 â€¦
i'm so retarded in public, i'm your rapper's worst
nightmare
real mc with a market and budget
even if my ship â€¦ sitting target and fuck it i win hard
and i love it
back on the block, trick a happy as a rookie cop
throwing a legal money on whose making their pussy
pop
read my shirt, they say do not cop block
he did it anyway, now he got me play hot scotch
that's when i jump on you squares, east side in the air
ok, fine

we gonna be living like this for the rest of our lives
we gonna be living like this for the rest of our lives
we gonna be banging this shit for the rest of our lives,
listen, die young
live fast, die young, live fast, die young.
