And here I am  
As on my knees  
I give you all  
Cause you're all I need

And in your arms I find my place  
I will never be the same  
Again

I want to live to love  
(echo) Live to love  
I want to live to fight  
(echo) Live to fight  
So the whole world knows  
(echo) The whole world knows  
And sees your light  
(echo) Sees your light

I'm gonna live the difference  
I'm going to pay the price  
Cause it's all or nothing  
No compromise  
I'm going to live the difference  
Put my life on the line  
Cause this is my generation  
And I'm going to fight  
It's time

Your love  
(echo) It's your love  
Like a fire inside  
(echo) Fire inside  
It's your touch  
(echo) It's your touch  
That changed my life  
(echo) Changed my life

I'm gonna live the difference  
I'm going to pay the price  
Cause it's all or nothing  
No compromise

I'm going to live the difference  
Put my life on the line  
Cause this is my generation  
And I'm going to fight  
It's time

And in your arms I find my place  
(echo) My place in you  
I will never be the same  
(echo) Never be the same  
And in your arms I find my place  
(echo) Never be the same  
I will never be the same

I'm gonna live the difference  
I'm going to pay the price  
Cause it's all or nothing  
No compromise  
I'm going to live the difference  
Put my life on the line  
Cause this is my generation  
And I'm going to fight  
It's time

It's time (4x)
