[feat. Sally Anthony]

There comes a time  
In everybody's life  
When they gotta make a change  
I'm tired of being a villain  
I'm a change

I'm not gon' be your villain anymore  
And don't think I live my life of keeping score  
I'm not gon' be your villain anymore  
And don't think I live my life of keeping score  
I'm not gon' be

Flat broke living in the hood  
When I need money I be up to no good  
Your family's rich my family's poor  
I would trade places with you if I could  
But I gotta play with the cards I was dealt  
Down on my knees ask God for some help  
Man of the house my dad walked out  
Mistakes get made when you father yourself  
I was raised on the block  
A menace to society  
Runt as a little kid I was innocent entirely  
Time went by  
Life got hard  
Til I start feeling like a villain was inside of me  
Mad at the world but I can't cry  
Heart full of pain when I can't lie  
I did a lot of dirt but now I wanna change  
To the bad got in me I say bye...

I'm not gon' be your villain anymore  
And don't think I live my life of keeping score  
I'm not gon' be your villain anymore (I don't wanna be  
the villain no more)  
And don't think I live my life of keeping score (ay ay no  
more)  
I'm not gon' be

I don't wanna be the villain no more  
Inside my mind fighting my own war  
Half of me wants to be the good god  
But the other half wants to kick down your door  
Mixed emotions they start to confuse me  
Last night I hopped in my car with a Uzi  
Haters don't feel me some wanna kill me  
I don't really wanna be the? movie  
Too many years I done fought off a grant  
I'm a a bail like Christian and walk off the set  
You can tell the director and the producer  
To kick that news when it fall off my neck  
I was hanging myself  
I couldn't breathe  
Trapped in the ghetto  
I couldn't leave  
I couldn't think  
I couldn't see  
I couldn't take it man  
I couldn't be  
Guess I thought there was nothing else out there  
For a dropout raised on welfare  
Brave enough to rob a bank in a heartbeat  
But too scared to take my life elsewhere  
It ain't easy to go straight  
Blind faith stepped to the plate  
I packed up my bag  
I walked out the door  
I ain't coming back around this bitch til I'm great

I'm not gon' be your villain anymore (I don't wanna be  
the villain no more)  
And don't think I live my life of keeping score (no more)  
I'm not gon' be your villain anymore (I don't wanna be  
the villain no more)  
And don't think I live my life of keeping score (no more)  
I'm not gon' be

Put your hands in the air if you feel me  
I'm a change my life if it kill me  
Put your hands in the air if you feel me  
I'm a change my life if it kill me  
Put your hands in the air if you feel me  
I'm a change my life if it kill me  
Put your hands in the air if you feel me  
I don't wanna be  
I don't wanna be

I'm not gon' be your villain anymore  
And don't think I live my life of keeping score  
I'm not gon' be...

No more.
