

Normal Generation? "CONFUSED"

Visit "[CONFUSED](#)" on MotoLyrics.com

I'm confused when I read your word
I'm confused by all it's promises
I'm confused cause I see myself
and I don't find them Lord

I'm confused where is the love
I'm confused by my indifference
I'm confused cause I'm not aching
for you and the lost oh Lord

so take us by you hand
lead us to your love
show us your holiness
bring revival Lord

I'm confused when I see the church
I'm confused by how we're living
I'm confused cause we don't hav e
all that is written Lord

I'm confused when I feel my heart
I'm confused - it's not torn apart
I'm confused cause it must be broken
but it's still solid Lord
