"GOODBYE"

she comes to me in my dreams, dancing on the stormy
seas,
the light to guide my way.
there was sorrow in my mind, she helped me to find,
my way to the pearly gates.

Bridge:

she is here to say it's not the same as yesterday,
you can change and you don't have to be alone
she is here to say there's a better way,
if you'll open your heart.

Chorus:

(2x) goodbye to the life that blinded me, hello to the
one who saved me.

there's room for everyone who listens,
there's a heaven for those who are wishing.
when i get that broken kind of feeling,
i have a friend i can believe in.
