Verse:

Lord I lift your name on high
Lord I love to sing your praises
I'm so glad you're in my life
I'm so glad you came to save us.

Chorus:

You came from heaven to earth to show the way
From the earth to the cross my debt to pay
From the cross to the grave
From the grave to the sky
Lord I lift your name on high

Rap:

Jesus Jesus you're the one I'm living for
Two thousand years ago you opened up that
Closed door
For me many thanks, for my enemies my friends
Please let your light shine at any time through me
So shout it out, shout it out, shout it out loud
Jesus tell me how I can learn from you now
So shout it out, shout it out, shout it out loud
Everybody pray, let me hear a big shout
