

Normal Generation? "TAKE CONTROL"

Visit "[TAKE CONTROL](#)" on MotoLyrics.com

there's a father
standing in the doorway
of His mansion, the place He calls His home

He steps out into His garden knows fulfilment in the
beauty
picks a flower and smiles contentedly

He keeps on walking
and then 'em passing
glances over to the wall of thorns

there's an aching and a longing as He thinks about the
friends
that used to join Him on His walk in paradise

Chorus:
your piercing gaze it turns to me
your hand of love it sets me free
take control of all of me

here's a young man
reached a dead end
seeks his destiny beyond the wall of thorns

in an overwhelming moment he slides and meets the
father
His look of love shines through the tears he cries

Chorus:
your piercing gaze it turns to me
your hand of love it sets me free
take control of all of me

Bridge:
I wanna take a ride
I'll spend my future close by your side
one day I'll live within this Eden
a crown the wall has borne will take me there
(huuuh...)

Chorus:
your piercing gaze it turns to me
your hand of love it sets me free
take control of all of me
of all of me
of all of me
hey
of all of me
of all of me
of all of me
of all of me
take control of all of me
