Baby you're sweet
Sweet, baby

If I tell you, if I tell you now
Will you keep on, will you keep on loving me?
If I tell you, if I tell you how I feel
Will you keep bringing out the best in me?

You give me the sweetest taboo
You give me the sweetest taboo
You're too good for me

There's a quiet storm and it never felt like this before
There's a quiet storm, I think it's you
There's a quiet storm and it never felt this hot before
Giving me something that's taboo, oh baby

You give me the sweetest taboo
That's why I'm so in love in with you
You give me the sweetest taboo
At times I think you're just too good for me

I'd do anything for you, I'd stand out in the rain
Anything you want me to, don't let it slip away

There's a quiet storm and it never felt like this before
There's a quiet storm, I think it's you
There is a quiet storm and I never felt this hot before
You're giving me something that's taboo
Sweet

I'd do anything for you, I'd stand out in the rain
Anything you want me to, don't let it slip away

There's a quiet storm and it never felt like this before
There's a quiet storm, I think it's you
There's a quiet storm and I never felt this hot before
Giving me something that's taboo, oh baby

You give me the sweetest taboo
That's why I'm in love in with you, hey
You give me the sweetest taboo

Sometimes I think you're just too good for me

'Cause every day is Christmas
And every night is New Year's Eve
You, baby got the biggest heart
Sometimes I think you're just too good for me
