Here to stay
Never walk away
I'm here to stay
Till our final day
All of our others
Just fall by the way
When I hold you
It never rains that day

(Pre-chorus)
On our way,
I am sure this love will not fade
We're on our way
No more games for us to play
My fate is your fate
And I am but one man
But when I touch you
You make me whole again

(Chorus)
Here to stay
I'm here to stay
I'll give you everything
I'll never walk away

Here to stay
I'm here to stay
In your arms I'm here
Forever I pray
I'm here to stay

(Verse 2)
Fly away, we can soar above all the pain
Fly away, with so much for us remains
My fate is your fate
And I am but one man
But when I touch you
You make me whole again

(chorus) *2

(Outro)
Oh, I'll never walk away
Stay
