I love the way your hair sits on your shoulder  
I love the dark and deepness in your eyes  
I love the way that I can make you feel so good  
I love the way that I can make you smile  
Why were you born in a different world than me  
So near yet so far

[Chorus]  
Oh baby  
You're hurting me  
Maybe I'm crazy to believe  
Oh baby  
You're hurting me  
Why do I put myself through this  
Always wanting something I can't reach

If we were colours you'd be black and I'd be white  
Just like the day could never touch the night  
If you were sun and I was moon we'd never meet  
Pray an eclipse would come to let us be  
Why were you born in a different world than me  
So near yet so far

[Repeat Chorus]
