(Verse 1) - Alf

Hmm, hmmm

Girl, I'm thinking of you

And I don't know what to do

Let me see into your mind

Only you can decide

Do u see in me a change?

Got me whispering your name

What is there in your heart?

Tell me right from the start, I love you

And I'm thinking about you

Got me singing my, my, my, my

Please be mine

(Chorus) - Thanh

Coz I've got a picture of you in my heart

And a vision of you in my arms

And I just can't deny what's going

On in m soul and I

I can't let u walk away

Till you hear what I got to say

I love u more, more

More than the air I breathe

(Verse 2) - Joel

Take me back to the start

When you captured my heart

You became my closest friend

Said you'll be there till the end

And I know that I was wrong

When I told you everything

But there is one thing I kept

In the deepest part of me

I don't know what you're feeling

Cuz I know my ship is sinking

Got me singing my, my, my, my

Please be mine (please be mine, yeah)

(Chorus)

(Bridge) - Thanh

Oh.... yeah.....

How would I know if you're feeling what I'm feeling

I can only hope that you're thinking what I'm thinking

Of you

How would I know if you're feeling the same way I do?

Cos I.....

(Chorus) \*2

(outro) - Thanh

Mmm, Oh yeah, ohh
