Welcome to a brand new world

It's time to break new ground
Turn everything around
We'd like to see you there
Come and join us if you dare
Who says that we offend
Temptation is your friend
Go find a brand new way
Take a chance and seize the day
Here...
Now...
Come and join us
Burning up the floor
Once you're through the door
Feel the crowd and hear them roar

[Repeat Chorus]

It's time to let it go
Sit back and feel the flow
Bring on cause we don't care
Let the music take you there
Who says that we offend
Temptation is your friend
Go find a brand new way
Take a chance and seize the day

[Repeat Chorus]

Burning up the floor
Once you're through the door
Feel the crowd and hear them roar

[Repeat Chorus]
