Workin on a new railroad mud up to my knees  
Workin on a new railroad mud up to my knees  
I'm working for big john henry and he's so hard to  
please  
I've been all around this world

Used to have a big grey horse arrow was his name  
Used to have a big grey horse arrow was his name  
They caught me making liquor and they told me get off  
their plain  
I've been all around this world

Hang me oh hang me and I'll be dead and gone  
Hang me oh hang me and I'll be dead and gone  
It's not the hanging that I mind it's laying in the grave  
so long  
I've been all around this world

Single girl single girl go spend your days in town  
Single girl single girl go spend your days in town  
Just wait til you get married you'll work till the sun goes  
down  
I've been all around this world

Lulu oh lulu won't you open up that door  
Lulu oh lulu won't you open up that door  
Before I come and open it with my old 44  
I've been all around this world

Diggin on a new railroad mud up to my knees  
Diggin on a new railroad mud up to my knees  
Diggin for big john henry and he's so hard to please  
I've been all around this world  
Been all around this world  
I've been all around this world
