Railroad Bill, Railroad Bill, he doesn't work and he  
never will  
And it's ride, ride, ride, ride

Buy me a chicken, send me a wing.  
It'll look like I've been working, but I ain't done a thing  
And it's ride, ride, ride, ride

Railroad Bill was a mighty mean man  
He shot the midnight lantern out of the breakman's  
hand  
And it's ride, ride, ride, ride

I'm going up a mountain, I'm going out west  
Got a forty four pistol sticking out my vest

And it's ride, ride, ride, ride

Railroad Bill, he took my wife  
He said if I don't like it, he would take my life  
And it's ride, ride, ride, ride

Railroad Bill, Railroad Bill,  
Rollin' up a cigar with a ten dollar bill  
And it's ride, ride, ride, ride

I'm gonna find me a pistol as long as my arm  
I'll kill everybody who's ever done me harm  
And it's ride, ride, ride, ride
