It's your life to be ended  
So what are you waiting for?  
It's your right to be hated  
So what are you waiting for?

For me to tell you  
You're a little closer each day?  
For me to tell you  
You're a little late to be saved?

So what are you waiting for?  
It's not like you lived  
It's not like your excess  
Gained you respect  
What are you waiting for?  
For the cut on your wrist?  
For divine intervention to make you resist?  
What are you waiting for?

If it's your right to be changed in  
Then what are you waiting for?  
If it's your time to be shaken  
Then what are you waiting for?

For me to tell you  
You're a little closer each day?  
For me to tell you  
You're a little late to be saved?

So what are you waiting for?  
It's not like you lived  
It's not like your excess  
Gained you respect  
What are you waiting for?  
For the cut on your wrist?  
For divine intervention to make you resist?  
What are you waiting for?

So what are you waiting for?  
While I am waiting for you?

I am waiting for you to do this

So what are you waiting for?  
It's not like you lived  
It's not like your excess  
Gained you respect  
What are you waiting for?  
For the blood on your wrist?  
For divine intervention to make you resist?  
What are you waiting for?

While I am waiting...  
I am waiting...
