When you feel all alone  
And the world has turned it's back on you  
Give me a moment please to tame your wild wild heart  
I know you feel like the walls are closing in on you  
It's hard to find relief and people can be so cold

I don't mind spending everyday  
Out on your corner in the pouring rain  
Look for the girl with the broken smile  
Ask her if she wants to stay awhile  
And she will be loved  
And she will be lo-ved

My life is brilliant  
My love is pure  
I saw an angel  
Of that I'm sure  
She smiled at me on the subway  
She was with another man  
But I won't lose no sleep on that  
'Cause I've got a plan

I say it's OK  
I can promise you it's alright  
You ain't keeping me up all night, no more  
You're not here but it's ok  
I assure you babe it's alright  
You ain't keeping me up all night, no more  
You're not here but it's OK

See the stone set in your eyes  
See the thorn twist in your side  
I wait for you  
Sleight of hand and twist of fate  
On a bed of nails she makes me wait  
And I wait without you  
With or without you  
With or without you  
With or without you  
With or without you, a-ha  
I can't live  
With or without you

Tonight tonight tonight tonight  
I wanna be with you tonight  
Tonight tonight tonight tonight  
I wanna be with you tonight  
Tonight tonight tonight tonight  
I wanna be with you tonight  
Tonight tonight tonight tonight  
I wanna be with you tonight

So what if you catch me,  
Where would we land?  
In somebody's life  
For taking his hands  
Sing to me hope as she's  
Thrown on the sand  
All of your work  
Is rated again

It's alright and it's ok and  
It's alright and it's ok and  
It's alright and it's ok and  
(You're not here with me)  
It's alright and it's ok and (It's alright)  
It's alright and it's ok and (It's ok)  
It's alright and it's ok and  
You're not here but...  
It's ok
