"Sleepwalker"

You're not always born on the good foot
Can't always open the right door
You walk with your eyes closed
You're gonna hit the wall
Or fall into a hole
When you're in that hole

Open your eyes
Sleepwalker
Sleepwalker

Some are lucky but you've got to know
There won't always be a way back home
Like a puppet on a string
He's just trying to do his thing
Make his own way
Live day to day

Open your eyes
Sleepwalker
Sleepwalker
Sleepwalker
Sleepwalker

People turning back on you
'Cause you ain't playing by the rules
You say life is a game
I say it's a shame

You must play
Your own game
Can't sound this sane
You must open your eyes
Sleepwalker
You are a sleepwalker
Sleepwalker
