Wondering off again
Making girls to stay
I just can't help but changing a girlfriend
Cheating all my friends
Tearing up my pants
I just can't help to make them suffer again

I just felt like it
To make my girlfriends suffer (Make my girlfriends suffer x2)
I just felt like it
To make my girlfriends suffer (Make my girlfriends suffer x2)
To make my girlfriends suffer again

Changing the fact I am changed
I won't believe in anything they say
Hearing myself in the van
Where it goes? No one knows

I just felt like it
To make my girlfriends suffer (Make my girlfriends suffer x2)
I just felt like it
To make my girlfriends suffer (Make my girlfriends suffer x2)
To make my girlfriends suffer again

I can't change the way I am...
I can't just change the way I am...
I can't change the way I am...
I can't just change the way I am...

I just felt like it
To make my girlfriends suffer (suffer x3)
I just felt like it
To make my girlfriends suffer (suffer x3)
To make my girlfriends suffer again

I just felt like it
To make my girlfriends suffer (make my girlfriends suffer x2)

I just felt like it
To make my girlfriends suffer (make my girlfriends
suffer x2)
To make my girlfriends suffer again
