It's a Saturday night,  
I'm looking for a fight, thinking I am right  
When I closed my eyes,  
I can see the stars and the shape of meteorites

Gone! They are gone!  
They are gone for good. Gone for good...  
On this day, on this hill  
On this summer and on this view

Just look up to the skies tonight  
(Everybody look up to the skies)  
Just make a wish tonight  
(Everybody make a wish tonight)

Bath myself in sunlight  
I am taking all my time, thinking 'bout it day and night  
Push yourself all right?  
Why do you think that I am reliable, think that I  
dependable

Gone! They are gone!  
They are gone for good. Gone for good...  
It's a standard, to be branded  
So sit around and talk all night...

Just look up to the skies tonight  
(Everybody look up to the skies)  
Just make a wish tonight  
(Everybody make a wish tonight)  
Just stand by me and hold me tight  
(Everybody hold me tight)  
Just sit around, and lets ignite  
(Everybody lets ignite)

Through the skies  
Through the skies  
Through the skies  
Through the skies  
Through the skies  
Through the skies
