Old days are over
Day by day this seems too long
I always thought it's yesterday
I hardly remember anything they say
I seen it through and I am getting blue
Those friends of mine they are making the move
I remember that I
Can see them fly, fly through the sky and they are
soaring high

Reminiscence
I love this time
You have changed me throughout my life
Reminiscence
I can't deny
I am sophiscated so I cry

Walking in this garden
I am looking at the sky
The sky engulfed in daylight
Our soothing soul takes flight
Empowered by the brightness
I thought that I have died
But God gave us forgiveness
To heaven now I ride

Reminiscence
I love this time
You have changed me throughout my life
Reminiscence
I can't deny
I am sophiscated so I cry

Woah Woah
You have changed me throughout my life
Woah Woah
I am sophiscated so...

Reminiscence
I love this time
You have changed me throughout my life
Reminiscence

I can't deny
I am sophiscated so I cry

Reminiscence
I love this time
You have changed me throughout my life
Reminiscence
I can't deny
I am sophiscated so I cry

Reminiscence
Reminiscence
Reminiscence I love this time
Reminiscence
Reminiscence
Reminiscence I can't deny
