I know this girl, she was too cute for me
I make her image a part of me
Am I too obsessed? Thinking that
I can be her boyfriend

She walked to me, and I am feeling scared
Her classy T, is all she ever had
The girl that's her she made me
Love-blinded, Activated!

I can be the one to make a difference
I can be the kind without a reason
You can be the heart every single lady
To be in my dream of you

This is the girl, the only one for me
There's nothing better than this little Mich
Am I too crazy? Thinking that
I can be her boyfriend

She came to me, put something in my hand
Something that nobody will ever had
She just gave me a note that there is
Someone better, someone love her

I can be the one to make a difference
I can be the kind without a reason
You can be the heart every single lady
To be in my dream...

I can be the man to play a guitar
I can be the guy to be a singer
You can be the heart every single lady
To be in my dream of you

And I know that you just
Love someone else
Someone besides me
I'm heart broke
But you know that I will stay
Stay right beside for you

I can be the one to make a difference
I can be the kind without a reason
You can be the heart every single lady
To be in my dream

I can be the man to play a guitar
I can be the guy to be a singer
You can be the heart every single lady
To be in my dream of you

Whoa~
My dream of you...
