You promised me you stay
In the end you walk away from me I know
Our love was torn apart
For all the times we spent
I heard you say that you don't care anymore
Love was just a game, it makes no sense anymore

What did I do?
We were meant to be, suppose to be
Lovingly
But it didn't happen
What should I say?
All the times we spent, hand in hand
My girlfriend why did it happen?

Don't you remember me?
What you only think is all about him
Forgotten all about me yeah
I thought that you were true
In the end you made me look like a fool
Sad and angry, it makes no sense anymore

What did I do?
We were meant to be, suppose to be
Lovingly
But it didn't happen
What should I say?
All the times we spent, hand in hand
My girlfriend why did it happen?

What did I do?
We were meant to be, suppose to be
Lovingly
But it didn't happen
What should I say?
All the times we spent, hand in hand
My girlfriend why did it happen?

What did I do?
We were meant to be, suppose to be
Lovingly
But it didn't happen

What should I say?
All the times we spent, hand in hand
My girlfriend why did it happen?
