There are the one who shoot down bad guys,  
there are the one who clean them up.  
Some people start to sing 'bout when a star has died.  
And some kind humans fill my cup.

[Chorus 1:]  
I am an A - Bomb!

There are more than strange professions,  
e.g. those priest guys on TV!  
Did not have a single lesson theory  
and now look what became of me.

[Chorus 2:]  
I am an A - Bomb,  
blind and deaf but strong.  
When I come along, somebody was wrong.

Nice to have a lot of free-time.  
My work is really not too hard  
and someday I'll see the sunshine I am sure.  
This pleasure faster beats my heart!

[Chorus 2]
