Jack has seen, that I killed Lora
Will has seen, that I was all alone
Jack won't go into the office
Will is my friend - I believe in him

What will Jack do now ?
Will he surely explain that I'm a killer,
With no regard and shame

It's very clear what he's going to say
He's always telling the truth
But it's only another fucking day
That I have only to use

I can get what I choose, I can believe in my shoes
Watching people of truth, hoping that I'm a fool
